

# TrackVia University Valedictorian

RECOGNIZING ADMINSTRATOR EXCELLENCE

The TrackVia Valedictorian award is designed to recognize the achievements of an administrator that has participated in the TrackVia University program. Every January, one administrator is chosen to be the Valedictorian for the prior year based on three categories of achievements:

## Course & Certification Completion

In TrackVia University there are:

### 3 Course Levels

- ▶ Core Functionality,
- ▶ Advanced Functionality
- ▶ Application Building

### 3 Certification Exam Levels

- ▶ Intermediate
- ▶ Advanced
- ▶ Expert

To be eligible for the valedictorian award, the administrator must have participated in all 3 courses and passed all 3 exams.

## Business Impact

The valedictorian award will be given to someone who can demonstrate that they've made a positive impact on their business by applying what they've learned during TrackVia University courses.

### Examples of positive business impact:

- ▶ Improving existing apps
- ▶ Building new apps to automate workflows
- ▶ Teaching other administrators how to use the system.

## TrackVia Community Contribution

In order to be considered for the TrackVia University Valedictorian award, an applicant must have contributed to the broader TrackVia community.

### Community contribution might include:

- ▶ Participation in webinars
- ▶ Case studies
- ▶ Answering TV community forum questions
- ▶ Suggesting product enhancements
